standing committee on Finance

Mr. Paolo Gentiloni  
Commissioner for Economic and Financial Affairs,  
Taxation and Customs  
European Commission

Subject: Invitation to the Dutch House of Representative

The Hague, January 22, 2019

Dear Commissioner,

With this letter, I would like to invite you, on behalf of the standing committee on Finance, to visit the Dutch House of Representatives for an exchange of views. The committee on Finance monitors with great interest the economic, financial and fiscal policy decisions of the EU. We debate them at length with our Minister every month. Our parliament also regularly invites Commissioners to speak directly with our parliamentarians and these discussions have proved very valuable.

With a review of the legal framework underpinning the fiscal rules coming up in February, the committee would highly appreciate an exchange of views with you on the future of fiscal rules and the role of the European Commission in monitoring the budgetary policies. This would also offer the opportunity to discuss the Country Report for the Netherlands that will be presented soon.

I hope you will be able to accept our invitation and that our staff members will be able to find a suitable date in the next months.

I look forward to a fruitful discussion.

Yours faithfully,

Anne M. Tier  
Chair of the standing committee on Finance  
House of Representatives of the States General
