DER STATEN-GENERAAL

Committee Infrastructure and
Water Management

To the President of the European Council

Place and date: The Hague, July 3, 2025
Subject: Information letter regarding letter from the House of Representatives to European Commissioners Roswall and Séjourné
Ons reference: 2025Z11504/2025D32020

Dear Mr. Costa,

Please find enclosed the letter from the House of Representatives of the Netherlands to Commissioners Roswall and Séjourné regarding the upcoming revision of the [REACH regulation](#) within the context of the political dialogue with the European Commission. The **English courtesy translation** can be found on pages 6-9 of the attached document. This letter has also been sent by e-mail.

The upcoming revision of REACH, scheduled for Q4 2025, is a priority file of our standing committee on Infrastructure and Water Management, on which two rapporteurs have been appointed, MP Kostic (Party for the Animals, GUE/NGL) and MP Koekkoek (VOLT). As part of their rapporteurship, Ines Kostić paid a work visit to Brussels Monday 30th June, during which she handed over this letter to the cabinet of Commissioner Roswall on behalf of the standing committee.

Yours sincerely,

The chair of the standing committee for Infrastructure and Water Management,

Peter de Groot

The clerk of the standing committee for Infrastructure and Water Management,

M. Schukkink

HOUSE OF REPRESENTATIVES OF THE NETHERLANDS
